Dear Potential Member;

Thank you for considering becoming a member of the Partners group. Becoming a member is a unique opportunity to influence the Fulton County community directly; a community in which you live, work, and enjoy. The mission of the Partners, our mission, is to promote a quality of life based on developing the fullest potential for children, families, and individuals through integrated, collaborative, and comprehensive system of health, education, and human services. We are coming to you in hopes that you will partner with us on this mission by providing your expertise, your knowledge, and your passion to create change, bringing to Fulton County the difference that we all desire.

Creating a difference does not come easy and it is hard work; however, when we have a dynamic group of Partners, such as yourself, it makes the job a bit easier. You have the opportunity to take part in building a stronger youth, much like our Youth Action Council (YAK) demonstrating their desire to incorporate community initiatives. The ability to contribute to providing our aging population access to a continuum of care, assist in generating mental health services, impact the multifaceted level of services necessary for substance use disorders, and support our community in determining where gaps in services exist. Our Community Health Needs Assessment provides us with the information to establish community wide goals that become the focus for our work. Together we are increasing our protective factors for our youth, increasing access to drug and alcohol treatment providers, and heightening awareness to various other concerns in Fulton County through the work of the Partners.

The work of the Partners is an ongoing process that requires individuals with undying passion. A passion of perseverance and it is a passion that I see in all of you. Together, we can identify community needs by taking time to gather and work in conjunction with one another to reduce the duplication of services and prevent individuals become an oversight by combining our resources further allowing our county to have local control and flexibility to maintain support, sustainability, and be outcome focused ensuring accountability for resources. Your membership to the Partners group will offer the opportunity to become part of an integrated network of services in Fulton County. It is my hope that you will become a partner with me and allow me, allow us to work together to fulfill the mission of promoting a quality of life based on developing the fullest potential for children, families, and individuals through integrated, collaborative, and comprehensive system of health, education, and human services in Fulton County. Thank you for your consideration in becoming a Partner and sharing your passion with all of us.

Sincerely,

Lori Kendall
